

JYN MARK DULBERG SCHOLARSHIP FUND

The Mark Dulberg Scholarship Fund was created to continue Mark's legacy of bringing more light and joy into the world. The donations made in Mark's memory enable others to increase their Jewish pride and **strengthen** their Jewish identities.

The fund offers our very own JYN teens individual grants of up to \$1800 to take a gap year in Israel to invest in their Jewish education and learn more about their **heritage**. Mark proudly wore his trademark Chai necklace as a symbol of his Jewish pride. Offering others the opportunity to **embrace** their Jewish identities is an integral part of continuing his legacy. The fund also offers scholarships to JYN Hebrew School, JYN Academy, and JYN Shabbatons, as well as subsidies for Mezuzahs and food for families in need.

Anyone who knew Mark knows that he loved a good shmooze, and would regularly drop into JYN to catch up and wrap tefillin. The fund offers subsidies to purchase a pair of **tefillin** which will enable others to continue the tradition that Mark held so close.

The Mark Dulberg Scholarship Fund has allowed us to **reignite** a bit of the light we lost when Mark passed. These funds, in combination with the Mitzvot of Tzedaka, Tefillin, Shabbos Candles, and Good Deeds allow us to continue to honor Mark's memory.
